

WELCOME!

OVERNIGHT IS BY RESERVATION ONLY AT PGBRS ORG.

(DAY USE IS PERMITTED)

LONGWORTH LOOKOUT 53 9476, -121.4323, ~1750 M

WIND AND AVALANCHE THIS IS AVALANCHE TERRAIN!!
EXTREME WIND IS NORMAL HERE!!

FIREWOOD Please chop firewood outside.
Kindling can be chopped in wood shed on block
Keep axes inside (in wood shed)
Chop kindling for the next group

WOOD STOVE Do not burn garbage (detrimental to stove)
The stove is a catalytic burning type. If one of the rods with holes
is bumped out of place it needs to be put back in place. (Easy to
do when the stove is cold)

DRINKING WATER
(in Winter) Melt snow in 2 large pots on wood stove
Collect snow for drinking at ***west end of cabin.***

DRINKING WATER
(In Summer) Filter/boil water from rain water collection system in wood shed.

GREY WATER
(In Winter) Use slop bucket for grey water and ***dump at pee tree only.***

GREY WATER
(In Summer) May use counter sink for draining grey water.

GARBAGE/FOOD Hike out all food and garbage!!!
DO NOT LEAVE BEHIND ANY FOOD IN CABIN

DOORS

Carefully clean snow from door frame using car snow brush.
When leaving cabin ensure doors are properly latched and dead bolted, and re-tie cords from door handle to railing.

WINDOWS

Carefully clean snow from windows with car snow brush.
Keep windows closed during night or only open on leeward side of cabin (due to wind!)
Close and lock windows before leaving.

SNOW INSIDE

Sweep any snow inside cabin and throw outside
If melting out skis or equipment put on them in the plastic tubs provided.
Avoid puddles inside the cabin.

SOLAR /LIGHTING

Please use lights as sparingly as possible. If you don't need a particular light, turn it off!!
If solar panels are covered with snow or rime, use the car snow brush to carefully clean them
Do not put wet items on electrical box!

PEE AND POOP

Outhouse is a mission in bad weather. Be prepared!
Outhouse is a composting toilet.
Outhouse has a urine diverter.
Pee in the front of the toilet, Poo in the back.
Pee tree is halfway toward the outhouse.

WILDLIFE

Marten and porcupine reside around here. Do not store food outside unless in animal proof container!
Keep window closed while sleeping or it will try to come inside!
There is a caribou population that frequents the area. Please be respectful and give them a lot of space.
